<<新潮酒店 第二版 Cool Hotels>>

内容概要

Cool Hotels , 2nd edition is an updated edition of teNeues ' highly successful Cool Hotels , giving an up-to-the-minute overview of the most stunning contemporary hotels across the globe。

This invaluable flexi-cover guide showcases the finest examples of original and innovative hostelry design。

Lavishly illustrated with approximately 400 color photographs , these views of hotel exteriors and interiors are a feast for the eyes and the imagination。

This volume features designs from Matteo Thun , Antonio Citterio , and Stephen B. Jacobs , in locations as diverse as New York , Berlin , and Bangkok。
