内容概要

teNeues Publishing is delighted to have been awarded the prestigious PRIX VILLEGATURE 2007 for its book *Luxury Hotels - Top of the World*. This much sought-after Award is the European tourism industry's ultimate distinction for Hotel books. The prize was awarded to teNeues in the course of a formal ceremony in Paris on 22.10.2007. What makes a luxury hotel "top of the world?" The answers might include exquisite linens, museum-quality furniture, stunning surroundings, and of course, impeccable standards and exacting attention to detail. This selection of the world's very best lodgings profiles the ultimate in accommodations across the globe. This generously proportioned addition to teNeues' *Luxury Hotels* series contains an extensive selection of delectable hotel interiors, exteriors and surroundings. Perhaps only a select few will ever get to stay here, but now many more can dream of doing so. This special double edition is over 400 pages in length.
