<<Flower Design (精装)>>

内容概要

In this book , Brigitte von Boch uses flowers as a crucial and creative element in interior design。 Her arrangements set off and complement the surrounding décor , and bring the outdoors inside。 She delights in adding just a touch of the unexpected to the best of traditional flower design。 This volume profiles over 200 of her inspiring creations , and demonstrates how color , form and texture can combine to maximum effect。 The author showcases an array of stunning arrangements for all seasons。 A delight for the senses , this collection is a true work of art。 作者简介 : Brigitte von Boch has made her name as a lifestyle and decorating expert , and produces the magazine Brigitte von Boch Living。 She is the proprietor of the Hotel Gut Linslerhof in the Saarland。 This is her fifth book。
