<<ジャ - ジ - ぬいぐるみ>>

内容概要

There are many requests for our "Nuigurumi" (rag dolls), however, they are all handmade and need a good amount of time so that we can hardly sell them. Then, we came up with the idea that the dolls could be made by the people who wanted ones. ARANZI ARONZO's Nuigurumis are made of jersey (a kind of knitted cloths). Now you can make Usagi, Kappa, Panda, and all by yourself.
