前言

本书旨在较短时间内通过强化训练提高应试者的听力能力,突破听力难关,帮助应试者顺利通过新题型的考试。

把握四级考试最新脉搏,完全以2005年教育部颁布的大学英语四级新样卷为蓝本,准确反映四级考试大纲要求、最新变化和命题趋势。

与同类书籍相比,本书具有选材新颖、趣味性强、难易适当、针对性强,练习高效等特点,是四级备考的必备用书。

全书结合新题型真题及历年典型真题,将最近几年的真题详细分类,对短对话、长对话、短文理解和复合式听写分别进行真题透析和强化训练,同时结合一定量的模拟、预测题进一步对应试者进行强化训练。

本书附有听力文字材料并配有MP3光盘,练习部分完全按照四级听力考试的语速录制,使应试者如同亲临大学英语四级听力考场,真切地感受考场气氛。

本书共分32个单元,每个单元都包括短对话、长对话、短文理解和复合式听写四大新题型。

其中每单元短对话8个,长对话2个,短文3篇和1篇复合式听写。

四大题型的听力材料主要以历年真题为基础,同时补充了一定量的具有趣味性、时代性、难易恰当的预测材料,内容丰富充实,给考生提供一个演习的训练场,从数量上保证练习的充分性,从质量上保证练习的高效性。

本书主要适用于考生对新题型四级听力理解的训练,适应于具有中级英语水平学生自学之用,尤其适合四级强化班教师参考之用。

章节摘录

A fire is always exciting and dangerous. People crowd around to watch the smoke, the flames, and fire fighters, who risk their lives to save others lives. Fire fighters are in danger of burns and smoke injuries. Nevertheless, they save thousands of lives and millions of dollars of property every year. Fighting fires is not just risky. It is also very demanding. Fire fighters do their jobs in rain or shine, whether its 100°F or 20°F below zero. At a fire, they carry heavy gear up and downstairs or ladders. They search for trapped people. They hack holes in the roof to release smoke and gas. They hold hoses on the fire. Those hoses are heavy, and the water in them shoots out under great pressure. In fact, it usually takes two fire fighters to hold one hose. Fire fighters also have many other duties. Sometimes they have to give first aid, and their equipment must be kept in order. They must visit factories and public buildings to check fire dangers. Fire fighters are hired by local governments. Some small cities and towns use volunteer fire fighters. Fighting fires is an important job. That means there will always be jobs for firefighters. However, the number of jobs available and the rate of pay depend upon the budget. Beginning fire fighters make between \$10 000 and \$12 000, and they generally receive regular raises. A person has to pass certain tests in order to be hired as a fire fighter, among these are tests of intelligence and strength. The tests are given to men and women who meet the height and weight standards and have high school degrees. Applicants must also be at least 18 years old. After they are hired, new fire fighters spend a few weeks in a training school. They are assigned to a fire company.
