章节摘录

Spending tips to keep more money in your pocket when buying clothes, is by shopping during the sales. One of the easiest ways to save money, especially when buying clothes, is by shopping during the sales. You can save loads of money this way. Where you go shopping is as important as when. Have a look at second-hand shops and the 'end of line' stock at big department stores. They're definitely places to find bargains. Too many credit cards means too many sleepless nights. Consider cutting some of them up so you won't use them again. Then pay cash when you need to buy something. Compare the prices at different shops and the prices of different brands in the same shop. You'll be surprised at how much you can save this way. 1. Advertisers use spending tips to help shoppers save money. 2. It's a good idea to let some time pass before buying anything. 3. When you can't afford something, don't buy it and forget about it. 4. The only way to get a good bargain is to shop during the sales. 5. It's better to pay in cash than to use your credit card. 6. Shoppers should compare the prices of different brands in different stores. &hellip;&hellip;
