<<商务馆学汉语字典>>

内容概要

FIND AN UNKNOWN CHINESE CHARACTER IN 60 SECONDS OR LESS

FINALLY, a Chinese dictionary designed for English speakers and other non-native students of Chinese. Learn the new Broken Marks method of looking up characters, and begin finding unknown Chinese characters quickly and easily.

THREE SIMPLE STEPS:

Count the Total Marks.

Identify the First Mark.

Find the character!

An extensive guide to over 20,000 Chinese words.

Detailed entries for 2,000 of the most commonly used Chinese characters.

Over 5,000 example sentences designed to help build language skills.

Other methods of looking up characters, including: pinyin, radicals and strokes, and English translation.

The perfect complement to your Chinese classes or for preparation for the HSK.
