<<老西安>>

内容概要

Changes a city has undergone are an important part of the history of the development of a civilization. In publishing this series of books , we have been guided by one consideration , i.e. , to give readers a brief history of some well-known Chinese cities by looking at some old sepia photos taken there and reading some remembrances with regard to those cities.

书籍目录

Chapter1 Bricks of the Qin and Tiles of the Han Emperors Buried Here History in Official and Unofficial
