章节摘录

版权页：插图：FOOD: The restaurant menu, artfully depicted as an album of paintings, features an eclectic mix of international fare. The appetizer Tuna Mousse with sliced bread simply steals the show. The smooth and fragrant tuna melts in the mouth with the sliced bread, revealing a wonderful texture. There are many other appetizers for your choice, the oysters from Japan and the United States being a firm favorite, with two flavors that are well worth sampling. There are also Iberian prosciutto, sesame leaf salad, truffle and Paris mushroom and Parma cheeses on offer. The Main courses are varied and wonderful. Besides the Steamed Jumbo Tiger Prawn with Orange and the Boston Lobster, Grilled Bullfrog Legs a delicacy not to be missed. Together with Allium sauce and mild mashed potatoes the dish is a true delight. Desserts are rich and indulgent, whether you choose French chocolate ice cream, Snow White Lady or Strawberry Cake you will have a perfect end to your meal.
