<<高中生学雅思阅读>>

前言

这是一本专门写给高中生的雅思阅读教材。

在保持与雅思考试密切相关的前提下，本书尽可能地选取高中生感兴趣的话题。

例如在主题为环境的章节中，本书选取的文章为《宝马的无污染引擎》，在这篇文章中考生既可以学到与汽车污染相关的单词，又不会觉得文章枯燥无味。

在主题为高科技的章节中，本书选取的文章为《学校使用iPPhones防止学生逃学》，又一个高中生热衷的话题。

本书所有文章主体选自西方报纸杂志，如《经济学人》、《国家地理》、《新科学家》等。

每单元所选课文分为三个级别，课文长度分别为300~400字、600~700字、1000~1200字，单词难度分别为4000词、5500词、7000~8000词。

由简入难，循序渐进，使考生实现从高中英语到雅思考试的过渡。

全书分为课本（TEXT）和测试题（TEST）两部分，共计20个单元，涵盖了自然、社会、环境、健康等十大题材。

考生通过对本书的学习，可以掌握雅思阅读考试相关的文章内容，积累大量的常见题材的相关词汇。

课文（TEXT） 本部分包含10个单元，每个单元的结构如下： 1.核心单词。

对于课文中的难词和核心词汇，书中配有精确的中英文解释，并对部分单词进行同义词扩充。

单词的英文解释参照剑桥英语词典和朗文当代英语词典。

2.关键句型。

本部分收录课文中的关键句型以及较难的语法结构。

长句和难句在雅思阅读文章中频繁出现。

考生通过对课文中复杂语法结构的学习，可以迅速扫除雅思阅读考试中的难句障碍，同时提升自身的写作能力。

3.题型练习。

本部分精心设置了各种题型的练习题，帮助考生真正理解课文的内容，掌握雅思阅读考试相关题型的解题技巧，深入领会雅思阅读考试的命题思路，最终获得海外学习所需的阅读技能。

 Step 2 Aromatherapy Step 3 American Obesity UNIT 10 BUSINESS Step 1 The Role of Market
 Investigations Step 2 Manage Your Sales Force More Effectively Step 3 Motivating Employees Without
 Money Answers to TEXT Questions Answers to TEST Questions Glossary of TEST

章节摘录

The new SAT scores are out, and buried in them is a sign of hope for American education. True, the scores are actually a bit lower than last years; the combined average for the SATs math and reading sections fell 7 points, to 1021, the biggest decrease since 1975, when the score dropped 16 points, to 1010. But statistically speaking, a 7-point decline (out of a possible 1600 on those two sections) isnt much. Its less than the value of a single question, which is about 10 points. Also, the SAT was radically changed last year. The College Board made it longer and added Algebra 11, more grammar and an essay. Fewer kids wanted to take the new 3-hr. 45-min. test more than once, so fewer had an opportunity to improve their performance. Scores were bound to slide. But tucked into the reams of data the College Board included with the new scores was some wonderful news. I was wrong. In 2003 I spent six months tracking the development of the new SAT. I sat through hours of test-development sessions and even learned how to grade SAT essays. TIME ran my resulting story on its cover that October. The story did make some predictions that turned out to be right. For instance, the new test favors girls more than the old one did. It is a long-standing tenet of test-making that girls outperform boys on writing exams. For reasons I am not foolish enough to speculate about in print, girls are better than boys at fixing grammar and constructing essays, so the addition of a third SAT section, on writing, was almost certain to shrink the male-female score gap. It did. Girls trounced boys on the new writing section, 502 to 491.
