章节摘录

Hi , I'm Tim. I can't believe my trip was over. I went to Hawaii just two weeks ago this summer. I was with my cousin and we stayed in a family hotel. It was small but clean. The people there were nice and friendly. We just loved everything there. We got up pretty late every day , at about 9 a.m. We had a huge breakfast right in the canteen. Then we went surfing one hour later. I liked the sea , the wave and the beach so much. We also played volleyball at the beach , with different people every time. We did have a good time. We went back for lunch at 1 p.m. , mm another big meal !

We went shopping in a big mall at about 2 p.m. and bought a large pack of food for dinner. My cousin said it was not good to eat out every night , so we cooked. We usually shopped for 2 hours and went back to the hotel we stayed in. We began cooking at about 6 p.m. I guess , and had dinner at 7 p.m. My cousin did the cooking and I did the cleaning. He was a really good cook. I enjoyed every single dish he made. After dinner , we went swimming at 8 : 30 p.m. We had a lot of fun there. We plan to go there again next year.
