## <<新世纪英语专业听力教程(4)>>

### 前言

《新世纪英语专业听力教程》是为了在英语专业听力教学中实现培养“积极主动会听之人”这一课程目标而编写的教材，其教学理念和素材已在北京师范大学外语系英语听力教学中运用数年，得到了学生的认可和欢迎，对他们顺利通过四、八级专业英语的听力测试，提高听的能力起到了较好的作用。

在研究和分析学生的听力水平，听力训练中出现的的问题的同时，我们特别关注和比较了“听”的技能在母语和外语中表现出的极大反差。

在相关的听力教学理论的指导下，确定了听力教学的关键是如何采取行之有效的措施，帮助学生尽快成功地将母语中运用自如的听力技能转换到听英语的活动中来。

这套教材就是以此为教学中心，系统安排和指导学生在相关的训练中，学会以听的手段获取知识和信息，交流情感和经验；在听的实践中，了解和熟悉以口语形式出现的英语，摸索出适合自己的听力策略和技巧，养成良好的听的习惯，掌握听的方法，提高听的效率，成为“积极主动会听之人”。

《新世纪英语专业听力教程》全套教材共四册，每学年一册。

第一册Accumulate Your Listening Experience，第二册Challenge Your Listening Ability，第三册：Note-taking in Academic Listening。

第四册Critical Thinking in Advanced Listening。

第一册和第二册是听力课的基础训练，第三册和第四册是高级听力训练。

第一册教材力图指导学生系统地从理性和感性两方面学习不同类型英语口语的特点，积累听英语的经验。

第二册教材的重点是让学生意识到听力策略和技巧的必要性、重要性和可行性，引导他们在实际生活中灵活并熟练地运用这些策略和技巧。

章节摘录

Unit 4 Sue Lawley: Richard, tell me just a little bit more about your family life before we hear about making the first million. Where were you brought up?

Richard Branson: Well, I was brought up in a very small village called Shamley Green which was south of Guildford in Surrey. I was brought up by two very loving parents who are still two very loving parents and so was very fortunate in having a very stable background. My father would never tell me off for, you know, anything I ever did and somebody you can always turn to, and is always interested, and my mother is very much, you know, getting up and going, pushing you forward—nobody's allowed to sit and watch the telly—you know, you've got to be doing all the time.

Sue Lawley: And you have two sisters, so you were a very spoilt boy.

Richard Branson: Yes, very spoilt, I suppose. Sue Lawley: Quite a legal family, though, I gather—your father was a stipendiary magistrate.

Richard Branson: That's right. Sue Lawley: And your grandfather was a high court judge.

Richard Branson: That's right. I've got, I think, seven generations of judges behind me.

Sue Lawley: So you left school Richard, you said, at fifteen and you were a millionaire by the age of 19?
