章节摘录

“ Go back! ” she said. “ Go straight back to London , instantly. ” I could only stare at her in stupid surprise. Her eyes blazed at me , and she tapped the ground impatiently with her foot. “ Why should I go back? ” I asked. “ I cannot explain. ” She spoke in a low , eager voice , with a curious lisp in her utterance. “ But for God ‘ s sake do what I ask you. Go back and never set foot upon the moor again. ” “ But I have only just come. ” “ Man , man! ” she cried. “ Can you not tell when a warning is for your own good? Go back to London! Start to-night! Get away from this place at all costs! Hush , my brother is coming! Not a word of what I have said. Would you mind getting that orchid for me among the mare ‘ s-tails yonder? We are very rich in orchids on the moor , though , of course , you are rather late to see the beauties of the place. ” Stapleton had abandoned the chase and came back to us breathing hard and flushed with his exertions. “ Halloa , Beryl! ” said he , and it seemed to me that the tone of his greeting was not altogether a cordial one. “ Well , Jack , you are very hot. ” “ Yes , I was chasing a Cyclopedes. He is very rare and seldom found in the late autumn. What a pity that I should , have missed him! ” He spoke unconcernedly , but his small light eyes glanced incessantly from the girl to me. “ You have introduced yourselves , I can see. ” “ Yes. I was telling Sir Henry that it was rather late for him to see the true beauties of the moor. ”
