章节摘录

A little girl lived with...whose parent have died , he lived with his grandmother . He lived in a ground in , in his living room . One night , there is a fire . His , her grandma died . The fire sDread very quickly . The first floor was quickly in flame . The neighbor tried to rescue the , the girl but they couldn ' t entered the room because flame blocks all the entrance . The , the girl was running to run at the window , cry for help . And the firefighter was late because they have to fight all kind of the fire . Suddenly , a , among the crowd , a man appeared with a ladder and he disappeared quickly into the room . When he re-ppeared with the little girl in his arm and then he disappeared in the night . A meeting hold to , to , to , to discuss who can bring the , the little girl up since the little girl have no relative to live with . A teacher stand up and said he could bring up the girl and he could ensure his education . A farmer said he could bring , bring up the girl on the farm because living on the farm he could have a healthy body and satisfying . Other people ex- pressed their advantages when , uh , if the girl live with them . Finally , the richest man stand up , said that I can give the girl all kind of the happiness plus money and what money can buy . The girl . after he , hearing that , he remain silence . The girl ' s eYe on the floor . Then from the back of the halls walked , walked out a man . a man . He walks slowly and his arm was very , was very bad in-jured . He walked in pain . The little girl cried out : “ That is the man who , who saved me . ” And he , and the man held out his arm . his , her arm in his arm and the little girl cried for a moment , and then smiled at the man .
