章节摘录

R: James, my friend Dave Pollin, part owner of the Madison Hotel in Washington, D.C., tells me you are quite a polo player. Is that true? M: Well, it is true that we have a friendly rivalry with Daves hotel that is played out on the polo field. Together, our hotels have raised substantial sums for charity through our annual Madison Cup Challenge held on the Mall in Washington each year. I wont talk about who won the most recent outing.
