前言

The library of the Catholic Mission, Peit'ang, Peking, possesses quite a considerable store of ancient books, the legacy of the Portuguese and French Missions of the Society of Jesus as well as of the Propaganda Mission. The intellectual centres of this capital, in ever increasing numbers, wished to have access to this hidden treasure, and those competent expressed, through the intermediary of Mr. C. B. Lyon, Secretary of the United States Embassy, their desire to the Mission Authorities. These latter, in the person of His Ex. Mgr. Paul Montaigne, Vicar Apostolic and Very Rev. Gustave Vanhersecke, Vicar General and Regular Superior, received the request most favourably and an accord was readily concluded for the practical realization of the project. The question was to gather all these ancient books into a special hall and to make a catalogue of them drawn up according to the rules of modern bibliography. The Catholic Mission set apart one of its buildings as a home for the new library and undertook to furnish the expenses of the necessary installations: shelves, presses, a small reading hall, etc... The Very Rev. Rudolph Rahman D. Ph., Superior of the Society of the Divine Word and Rector of the Fu Jen Catholic University, agreed to accept the charge of compiling a filing index and a catalogue, the execution of which was confided to the Rev. Theodore Rühl, professor of the University. Thanks to the active intervention of Dr. Leighton Stuart, President of the Yenching University and Dr. William Pettus, President of the College of Chinese Studies with the cooperation of Dr. Henry S. Houghton, President and of Mr. Trevor Bowen, Administrator of the Peking Union Medical College, the Rockefeller Foundation granted a generous subsidy for the work of compiling the filing index and the catalogue. The work, begun in 1939, proved more tedious and difficult than had been foreseen. For the war, coming eight months after the start, threatened to stop the undertaking altogether. Rev. Theodore Rühl had already left China during the month of June. His successor, the Rev. Joseph Goerts D. Ph., Librarian of the Catholic University, was compelled, in his turn, to absent himself for two years. The Librarian of the Peit'ang was expecting to be sent to the concentration camp at Weihsien: but the Japanese authorities, for reasons of health, permitted him to remain at his post. Up to the present time the international situation has interrupted all communication with Europe and America, whence we were hoping, to obtain information not available here on the spot. Consequently we had to resign ourselves to publishing a work incomplete in many points and in order not to weary the patience of those interested we could not wait for the completion of the filing index to commence the printing of the catalogue.

### 内容概要

北平北堂天主教堂（即西什库天主教堂）图书馆收藏着相当数量的古籍善本书，那都是葡萄牙和法国耶稣会传教士和传信会传教士留下的遗产。

日益扩大的首都学术界渴望利用这些深藏不露的宝藏，他们中的一些人通过美国使馆秘书来安(C . B . Lyon)先生向教会当局表达了他们的这一愿望。

而由主教满德贻(Mgr . Paul Montaigne)神父和代理主教兼遣使会会长德神父(Gustave Vanhersecke)为代表的后者欣然同意，并拟定了实际的项目实施计划。

要解决的问题是将所有这些古籍收藏到一个特殊的书库，并根据现代编目规则为这些书编辑目录。

天主教传教士们专门腾出一部分房屋作为新图书馆，并承担配置诸如书架、书橱、小阅览室等必要设施之费用。
