章节摘录

"Tend to you presendy." I waited till he was done with what he was at , then he took me into a back room , and overhauled a pile of rejected suits , and selected the rattiest one for me. I put it on.It didn't fit , and wasn't in any way attractive , but it was new , and I was anxious to have it; so I didn't find any fault , but said , with some diffidence : "It would be an accommodation to me if you could wait some days for the money. I haven't any small change about me. " The fellow worked up a most sarcastic expression of countenance , and said : "Oh , you haven't? Well , of course , I didn't expect it. I'd only expect gentlemen like you to carry large change. " I was nettled , and said : "My friend , you shouldn't judge a stranger always by the clothes he wears. I am quite able to pay for this suit; I simply didn't wish to put you to the trouble of changing a He modified his style a litde at that , and said , though still with something of an air : "I didn't mean any particular harm , but as long as rebukes are going , I might say it wasn't quite your affair to jump to the conclusion that we couldn't change any note that you might happen to be carrying around. On the contrary , we can" I handed the note to him , and said : "Oh , very well; I apologize." He received it with a smile , one of those large smiles which go all around over , and have folds in them , and wrinkles , and spirals , and look like the place where you have thrown a brick in a pond; and then in the act of his taking a glimpse of the bill this smile froze solid , and turned yellow , and looked like those wavy , wormy spreads of lava which you find hardened on little levels on the side of Vesuvius never before saw a smile caught like that , and perpetuated. The man stood there hold in the bill , and looking like that , and the proprietor hustled up to see what was the matter , and said , briskly : "Well , what's up? What's the trouble? What wants?" I said : "There isn't any trouble. I'm waiting for my change. " "Come , come; get him his change , Tod; get lum his change." Tod retorted : "Get him his change! It's easy to say , sir; but look at the bill yourself. "
