<<七年级-初中英语阅读全方案>>

内容概要

本根据《全日制义务教育·普通高级中学。
英语课程标准(实验稿)》编写,一共分三编。

“分类话题阅读”部分囊括七年级应涉及的所有话题项目,详细讲解每个话题并选取最新话题文章进行强化训练,并配以近年中考真题进行分析。

“微技能阅读”部分列举了阅读理解题的解题技巧和中考阅读理解常见题型,各题型下辅以相应文章进行训练。

“模拟阅读训练”部分选取了8套全真模拟试题,可供学生平时检查阅读训练效果。

本书最后配有相应习题的答案,方便学生自测及教师对学生进行检测。

章节摘录

Matt Mason has seen the future and it ' s fun.Mason likes thinking about how machines can make our lives easier by doing the work we hate , such as cleaning.He shows a hard floor clean.ing system (系统) that ' s built into the wall : it will blow dirt to a part ofthe room where it will be collected by a vacuum (吸尘器) .Then the system will drop some cleaner on ttle f100r and an arm will mop (用拖把擦) it up. “ This may trouble you , ” says K , ara , an expert in Mason ' S company. “ But you can program it to come on at 3 am , and it will just wet.mop the floor for you. ” When it comes to the kitchen , Bruce Beihoff , another expeat Whirlp001.is sure that in a few years , robots will be doing most of the boring work , freeing US to relax.。

“ More than just fun , future kitchens will be environmentally friendly , ” he says. “ A new system will be built in the house which can recycle energy (能量) lost from your kitchen to make the whole home wann. ”

“ The fridge will be the center of the home , ” 8ays Daniel Lee , a market expert.The fridge will have a touch screen (触摸屏幕) where you can watch TV , surf the Internet.check your e. mail , keep a shopping list and order vegetables. “ Your fridge is the first place you go in the morning and the last place at night , ”says Lee.

Ever wonder why a 1.9-meter man and a 1.6-meter woman have to cook meals on counters (工作台) of the sanle height. “ The height was decided over 50 years ago , according to the height of ordinary women , ” says lane Langmuir , an expert of Cooking machines. “ But times have changed.We have made a new counter where you press a button and it moves to whatever height you want. ’ ’ At the same time , Ted Selker at MIT ' 8 Counter lab has made the Dishmaker which lets you make dishes and bowls out of plastics at home.After each meal.the dishes are changed straight back into plastics.
