章节摘录

M : My brother isn't like me. I like playing chess while he likes playing cards. W : I think chess is fairly similar to cards, though I don't play cards very often. M : I wouldn't say they're totally different. But chess is certainly more difficult and requires more concentration. W : I agree with you there. That's why there're fewer people who play chess. (Text 6) W : Hello !

M : Hello !
Is that Dr Smith's office ?
W : Yes. What can I do for you ?
M : Is Dr Smith there ?
W : Dr Smith had to go home at noon. May I ask who is calling ?
M : This is Tom. W : Oh. Dr Smith said he was anxious to talk to you. M : I know. Do you mind telling him that I phoned him ?
W : All right. He said that you could phone him. His phone number is 69876543. M : Thank you very much. I will phone him after a while. (Text 7) W : You seem happy today, don't you ?
M : Yeah. The sun was shining when I got up this morning and I drove Lizzy to school. W : Where did you meet her ?
M : She was standing at the corner. She was waiting for a bus. W : Was she glad to see you ?
M : Very glad. It was cold on that corner and she was only wearing a skirt and a light blouse. W : Were you late for work ?
M : No. I got to my office at twenty-five past eight. I had five minutes left. (Text 8) M : What's the time, Jane ?
W : 2 : 20 by my watch. M : Hurry up. We'll be late. W : When does the plane take off ? M : At 4 : 30. W : Don't worry. There's plenty of time. M : I'm not sure of that. You know, we have to be there one hour before the plane takes off and there is always heavy traffic. W : Then let's start off. M : Jane. Have you got our tickets ?
W : Aren't they with you ?
M : But I can't find them now. See if they are in your handbag. W : No, they aren't. M : Oh. I remember leaving them in my office. W : Poor Tom, you're always forgetting things. (Text 9)
M : I'd like to book a few seats for Hamlet, please. W : Yes, Sir. M : Have you got any seats downstairs ?
W : Yes, we have. M : How much are they ?
W : \$3.75 each. M : Are there any seats for \$2.50 ? W : Yes, there are - upstairs. How many ?
M : Four, please. W : For which night ?
M : What about Saturday, October 21st ?
W : I can give you four seats in row 8. M : How long will the performance last ?
W : Two and a half hours. M : Thank you. (Text 10) W : Once an old gentleman went to see a doctor. The doctor examined him and said, "Medicine won't help you. You must have a complete rest. Go to a quiet place for a month. Get to bed early, drink milk, walk a lot, and smoke just one cigar a day."
