内容概要

Beijing is a charming city with a history that stretches back more than 3,000 years . As the capital of five dynasties , Beijing ' s ancient origins have combined with its modern dynamism to create one of the world ' s most vibrant cities . Even today , after numerous upheavals , Beijing is still home to many places of historic interest and scenic beauty , including the Forbidden City—the largest and best—preserved ancient architect-tural complex in tire world ; the Temple of Heaven , where Ming and Qing emperors performed harvest rituals ; the Summer Palace-the emperors ' magnificent garden retreat , and one of the world ' s great-est monuments to human endeavor , the Great Wall. No matter how long you have been in Beijing , no matter how many times you have walked its streets . you will never cease to appreciate the ancient capital ' s unique atmosphere . Here , history coexists with modernity ,and different culture integrate seamlessly . Here , anyone can find someone who speaks his own language Even those with the most peculiar pursuits can find their niche . It is this incomparable compatibility that defines Bering as truly great city。

Some make the city their home。

Others see their dreams come true , and many more experience the hardships of life and revelry of love. Beijing belongs to everyone , every passerby . Deep in his heart , and many more experience the hardships of life and revelry of love. This is Beijing , all ancient , civilized and cosmopolitan city .
