<<文化火锅>>

内容概要

To all the contributors who have shared their wonderful experiences with China Daily's readers. To Ji Tao, Raymond Zhou, Erik Nilsson, Patrick Whiteley, and many others who have written stories and helped uphold the level of the Hotpot column.

<<文化火锅>>

编辑推荐

China Daily's Hot Pot column is funny and hits home with expatriates who have spent enough time in the country to take delight in cultural differences and frustrations. The community of these 'friends of China' is just fluent enough in the rhythms of Chinese life to get comfortable, but still delighted by this country's capacity to modernize furiously yet remain true to itself. Deep chuckles and loud laughs await, and will make you want to stay just a few years longer.
