<<上品中国菜>>

内容概要

Widely acknowledged as a trendsetter in modern Chinese cuisine and the man behind the creative dishes offered at My Humble House and Space@ My Humble House , Sam Leong is now also a familiar face on Singapore television. Known best as the stern chef-mentor on the cooking competition show , Star Chefs , and then as the fun cook on another popular food show , Good Food Fun Cook , Sam has gained a loyal following for his practical and easy cooking style , which is the theme of this cookbook. Best of Chinese Cuisine: Home Style is a collection of recipes that will appeal not only to the home cook because the dishes can be prepared easily , but also to the rest of the family with the range of wholesome soups , quick stir-fries , convenient one-dish meals and mouth-watering desserts. The ingredients required for these dishes are readily available from local markets and supermarkets , and can also be substituted to offer more dining options.
