## 内容概要

One of the three epics of China , Kyrgyz people's masterpiece Manas was already listed into China's National-level Catalogue of Representative Works of Intangible Cultural Heritage in 2005. In 2009 , it was also placed into the United Nations' List of Representative Works of Humankind's Intangible Cultural Heritage.

Acclaimed as a living fossil of Kyrgyz Nationality's culture , the heroic epic Manas showcases what Kyrgyz people have long been yearning for and aspiring after. As a folk literary masterpiece with national character , it eulogizes the heroic feats achieved by Kyrgyz people's dauntless khan and his outstanding descendants from his later seven generations while they campaign for the happiness and well- being of the whole ethnic group. Consisting of eight parts , the epic contains more than 235 , 000 lines in all. Each part is named after a certain protagonist. Titles of different parts are as follows : Manas ( volume one ) , Semetei ( volume two ) , Seitek ( volume three ) , Kenenim ( volume four ) , Seyit ( volume five ) , Asilbaqa and Bekbaqa ( volume six ) , Sombilek ( volume seven ) and Qiktey ( volume eight ) . The stories of the epic circulate widely not only among Kyrgyz minority members living in China but also among the Kyrgyz people settling down in Central Asia. Only a small part of the folk stories are chosen and then adapted into Legend of Manas.

### 编辑推荐

柯尔克孜族英雄史诗《玛纳斯》是中国三大史诗之一，它历经几个世纪由成千上万人集体创作，已成为不朽的跨时代的文学巨著。

与藏族史诗《格萨尔王传》、蒙古族史诗《江格尔》不同，史诗《玛纳斯》并非一个主人公，而是一家子孙八代人。

整部史诗以第一部中的主人公之名得名。

《玛纳斯》主要讲述了柯尔克孜族人民不畏艰险，奋勇拼搏，创造美好生活，歌颂伟大爱情的故事。

贺继宏、纯懿编撰的《玛纳斯故事》选编了其中一部分精彩的故事。
