<<风筝>>

内容概要

Wang Wenzhang编著的《THE HAS' KITES》内容介绍：This is an oral record given by Mr. Ha Yiqi, a fourth generation kite maker in Beijing, on the origin, heritage, characteristics, cultural significance, and the future development of Ha Family kites. For the purpose of recording objectively and respecting the viewpoint and the memory of the narrators, the author has tried as hard as possible to represent every aspect of the Has' kites, and restore the development and heritage of Has' kites as a representative of tradition folk art in Beijing.
