章节摘录

It is a fine Sunday morning. There are two cats on the road. They are walking with fish-ing rods and baskets in their hands. The little cat's name is Mimi. The old one's name is Mike. They are going fishing. After some minutes, they are coming to the big river. They are sitting under the big tree and beginning to fish. At this time, a bird is flying to them. Mimi throws away his fishing rod and runs after the bird. He wants to catch it. But he can't catch the bird. When he comes back, Mike gets a big fish. After a while, a butterfly is flying to them. Mimi throws away his fishing rod again. He runs after the butterfly. He wants to catch the butterfly, but he can't.

Mimi comes back and has a look at Mike's basket. He has a basket full of fish, Mimi has nothing. It's time for supper. They must go home. Mike is very happy, but Mimi is very sad.
