- Section . Pair-point Combination Principle and Formula
- Section . Foundation of Pair-point Theory
- Section . Modern Research of Pair-point
- Section . Diseases and Pair-point Treatment
- Combinatio
- Section . Stroke
- Section . Headache
- Section . Iomnia
- Section . Vertigo
- Section . Epilepsy
- Section . Schizophrenia
- Section . Hysteria
- Section . Peripheral facial paralysis
- Section . Conjunctivitis
- Section . Myopia
- Section . Tinnitus / Hearing Impairment
- Section . Rhinitis
- Section . Toothache
- Section . Laryngitis
- Section . Aphasia
- Section . Common Cold
- Section . Acute Bronchitis
- Section . Chronic Bronchitis
- Section . Bronchial Asthma
- Section . Arrhythmia
- Section . Coronary Heart Disease/Angina Pectoris
- Section . Hyperteion
- Section . Hyperhidrosis
- Section . Hiccups
- Section . Acute Gastroenteritis
- Section . Chronic Gastroenteritis
- Section . Gastroneurosis
- Section . Peptic Ulcer
- Section . Cotipation
- Section . Cholecystitis
- Section . Viral Hepatitis
- Section . Type 2 Diabetes
- Section . Menoxenia
- Section . Dysmenorrhea
- Section . Dysfunctional Uterine Bleeding (DUB)
- Section . Pelvic Inflammatory Disease (PID)
- Section . Erectile Dysfunction
- Section . Nocturnal Emissio

<<实用针灸对穴疗法>>

- Section . Enuresis
- Section L. Hemorrhoids
- Section L . Pruritus
- Section L Stiff Neck
- Section L . Periarthritis of Shoulder
- Section L . Rib Pain / Intercostal Neuralgia
- Section L . Lumbar Sprain
- Section L . Lower Back Pain
