章节摘录

People usually hate mice , but one mouse wins the hearts of the people all over the world—the famous Mickey Mouse. More than eighty years ago , most films had no sound. A man named Walt Disney made a cartoon mouse. It could talk in his films. He named his mouse Mickey Mouse. Soon Mickey-Mouse became a good friend of both young and old people. Children like to see their lovely Mickey , because he brings happiness to them. Mickey is a clean mouse right from the beginning. Perhaps this is why people love Mickey Mouse. In his early life , Mickey made some mistakes. People were very angry. They wrote to Disney and said that they did not want Mickey to do wrong things. As there were some things Mickey could not do , Disney made a new animal named Donald Duck. He also made a dog , Pluto. This dog did foolish things and made mistakes wherever he went. Now our Mickey Mouse is not only clean , but also more interesting. He comes out as a star of beauty and wisdom. He has his friends in almost every country.
