## 章节摘录

Dear Jim      How is it going ?

I'm fine. I'm in London, at the International School of English. I'm in Class 1 with some students from Japan, Switzerland, Spain, India and Thailand. Our teacher's name is Henry Brown.      He is thin and medium height. He has short curly hair. He is easygoing and friendly. I think he is a good teacher.      I am living with an English family now. Mr and Mrs Black have four children. Emma is seventeen years old, Clay is fourteen, Michael is ten and Diana is six. They are all friendly, but it isn't easy to understand them !

London is a big and very interesting city, it's an old city——about 2,000 years old. It's famous for Big Ben, Buckingham Palace and Tower Bridge. They are all beautiful.      The weather here is bad, it often changes a lot. It may be sunny in the morning but later it may rain. I don't like the weather here, but the English food is OK.
