Peter is an office worker. He works in an office in a small town. One day his boss says to him, "Peter, I want you to go to London. to an office there. to see Mr. Brown." Peter goes to London by train. When he goes to London, he thinks, "The office isn't far from here. I can go there on foot and find it easily." But after an hour, he is still looking for it, so he stops and asks an old woman. She says, "Go along this street, turn right at the end, and it's the first building on the right." Peter goes and finds it. A few days later, he goes to the same city, but again he can not find the office. Just then an old woman comes over. It is the same woman. She is very surprised and says.
