内容概要

荣老师经过大量材料分析和科学研究，创造性地提出了差距学习法中的“二八定律”，即“在大量习题中，决定学生学习成绩的永远是其中那20%的错题”。荣老师认为错题集中折射了学生的，知识差距，消灭错题就是消灭差距的最直接、最有效的方法，CETC“二八定律”摒弃长时间、拉锯式地大量做习题的做法，是对题海战术的一种彻底颠覆。

## 章节摘录

However , I don't talk to half of these people in the onlinecommunity. There are some I would avoid if I met them on thestreet. Click. 132. I decided to rid my account of any "friend" that ... well , wasn't. Sound easy ?

You try it. Look at who you're dealing with : family , friends , classmates , crushes ( 爱恋的对象 ) , acquaintances ( 熟人 ) . With every click of the "Remove from friends" button , yourisk burning a bridge , losing a contact and missing anopportunity. So every time I go to click the button , and my hearthurts.

However , I'm not the only one who has experienced aFacebook friend refreshing. The New Oxford AmericanDictionary announces its "Word of the Year" each year , and lastyear , "unfriend" made the cut ( 入围 ) ( though I'll still stick with"defriend" ) . When I started my mission ( 任务 ) , a few friends joined. Most were surprised by how easily they could cut hundreds ofconnections without thinking twice. "Oh my God , I defriended like 600 people today. I feel sogood !  
" my friend Sarah messaged. ....
