内容概要

基础达标全方位测查基础知识掌握和运用情况，能力过关多角度考核分析问题和解决问题能力。

章节摘录

Today is Sunday. Its Bettys birthday. She is twelve years old. She and her parents are at home now. They are going to have a birthday party. Father is decorating the house. Mother is cooking the birthday cake. Betty is washing some apples, pears and grapes. All of them are very busy. The party, will begin at seven o'clock in the evening. Bettys friends——Kate, Joan, Mike, Tom, Rose, Jack, May are going to come to the party. They will give Betty some nice presents. The children are going to sing and dance at the party. Bettys mother will play piano for them. Bettys father will take photos for them. I think they will have a good time at the party. ()
