章节摘录

~Last week my youngest son and I visited my father at his new home in Tucson , Arizona . He moved there a few years ago , and I was eager to see his new place and meet his friends . My earliest memories of my father are of a tall , handsome , successful man devoted to his work and family , but uncomfortable with his children . As a child I loved him ; as a school girl and young adult (成年人) , I feared him and felt bitter about him . He seemed unhappy with me unless I got straight A ' s and unhappy with my boyfriends if their fathers were not as " successful " as he was . Whenever I went out with him on weekends , I used to struggle to think up things to say , feeling on guard . On the first day of my visit , we went out with one of my father ' s friends for lunch at an outdoor cafe . We walked along that afternoon , did some shopping , ate on the street table , and laughed over my son ' s funny facial expressions . Gone was my father ' s critical (挑剔的) air and strict rules . Who was this person I knew as my father , who seemed so friendly and interesting to be around ? What had held him back before ?
