## 前言

《大学英语》是遵照1986年国家教委审定的《大学英语教学大纲（文理科本科用）》编写的一套系列教材，分精读、泛读、听说、快速阅读和语法与练习五种教程，由全国六所重点大学合作编写。教材于1986年出版试用本，1992年出版正式本，并于同年9月荣获全国高等学校第二届优秀教材特等奖，以及国家教委高等学校第二届优秀教材一等奖。

1998年，在广泛征求意见的基础上，《大学英语》系列教材根据《大学英语教学大纲（高等学校本科用）》进行了第一次修订。

修订本更加注意文、理、工、农、医等各科的通用性，力求给学生打好“宽、厚、牢”的语言基础。

为了推进大学英语教学改革，适应社会各界对大学生英语能力的要求，教育部于2004年颁布了《大学英语课程教学要求（试行）》（以下简称《课程要求》）。

遵照《课程要求》对大学英语提出的教学目标，即“培养学生的英语综合应用能力”，编者于2004年决定对教材进行第二次修订，以满足新时期国家和社会对人才培养的需要。

本次修订原则： 1.教材的定位不变。

《大学英语》是综合教育型（English for integrative purposes）而非特殊目的型（English for specific purposes）的教材，旨在帮助大学本科各专业学生进一步打下扎实的语言基础。

2.选材原则不变。

正因为《大学英语》是综合教育型的，选材必须做到题材广泛，体裁多样，语言规范，有利于打好语言基础。

选材遵循三性原则，即趣味性、知识性、可思性，以激发学生学习英语的兴趣。

3.在更新课文时注意经典性与时代性的融合，科普性与文学性的融合，使选文内容经得起时间考验，文字经得起反复咀嚼。

这两个融合是教材可教性与可学性的保证，也是教材生命力之所在。

4.本次修订按照《课程要求》所提出的培养“英语综合应用能力”这一目标，着重考虑增强听与说的训练，提高听与说尤其是说的要求。

## 章节摘录

A model ( Dr Coleman has just returned from his sabbatical leave. He is telling his wife about his experiences during that period. ) Dr Colemans wife Honey, you look terrific. I believe now you can tell me how you spent your sabbatical leave. Dr Coleman Oh, yeah. I have to say this is the most interesting experience Ive ever had. You know Ive spent almost my entire life in school and somehow I felt that I needed to see what the world is like outside the university, to learn about people, especially those who do hard physical work. So I decided to take advantage of this sabbatical leave to learn about the world of work. Dr Colemans wife But how ? Dr Coleman Well, I went to Canada first and worked on a farm there. Every morning I got up at 4 : 30 and worked thirteen hours a day in fields and barns. Then I went down to Atlanta and spent my time there digging ditches. I also washed dishes in a restaurant and even worked as a garbage collector for ten days. Dr Colemans wife That was quite an experience. But did any of your students or colleagues know what you were doing ?

Dr Coleman No. I tried to keep it a secret. Dr Colemans wife But did the people you met on these jobs ever have suspicions about you ?

Dr Coleman Not really. They might have thought I was a little different, but I bet they didnt have the slightest idea that I was a college president. There was only one employer who sensed something unusual. That was at a restaurant in Boston. I had been on the job exactly an hour —— I was washing dishes when the boss came over and said, "Im afraid you wont do," and handed me two dollars. I asked him why, but he simply said, "It is not your work." Dr Colemans wife That mustve been the first time youve been turned down by an employer. Dr Coleman Youre right. But it helped me to understand how a man at my age might feel when he suddenly realized he had lost his job. Many of my colleagues would complain when the work was too heavy, but they would complain more when there was nothing to do. Dr Colemans wife Fortunately you were not in there for the money. Dr Coleman No. But I find that even with people who do physical work, what brings the greatest satisfaction is praise from co-workers, not the pay, even though it is important to them. Dr Colemans wife Really ?
