前言

《实用综合教程》是根据教育部颁布的《高职高专教育英语课程教学基本要求（试行）》的精神，结合我国高职高专公共英语教学实际编写的，其基本指导思想是以学生在中学阶段学到的英语为起点，提供听说读写译技能的基础性综合训练，注重实际应用，培养学生一定的语言运用能力。

从我国高职高专学校开设公共英语课程的实际情况出发，同时考虑到我国各地区和各学校之间的差异，《实用综合教程》一共编写4册，一学期使用一本，各本教材相互之间为递进关系。

对于英语水平较低的新生，第一学期可以选用第一册，用三个学期学完第一、二、三册后，要求能达到《高职高专教育英语课程教学基本要求（试行）》规定的“基本要求”，可以通过高等学校英语应用能力考试（B级）。

对于英语水平较好的新生，第一学期可以从第二册开始使用，学生学完第三册后，可以通过高等学校英语应用能力考试（B级）。

第四册为选修教材，供学有余力的学生使用。

学生学完全部四册后，要求能达到《高职高专教育英语课程教学基本要求（试行）》规定的“较高要求”，可以通过高等学校英语应用能力考试（A级）。

章节摘录

What Can I Do ?

The little boy walked home in a sad mood. His mother was cooking supper in the kitchen. Her smile stopped when she saw her sons expression. " Tyler , what happened ?

Is everything okay ?

" the mother asked. "Nothing is Okay , mom. Nothing will ever be okay again." The boy cried and then he continued , " Today , in science class , the teacher talked about Earth Day and the environment. She told us how many companies are not careful about how to get rid of their industrial waste. She said that our world is getting dirtier and that many animals and plants are dying. She Wanted us to think of something we can do to help and I kept thinking all the way home. But there is nothing I can do. I cant stop the companies from polluting our air and water , and I cant save all the animals !

" The mother thought for a moment and said , "Let me tell you a story. One morning a man was walking down a beach that was covered with dying starfish. The tide the night before had washed up thousands of starfish on shore. The man shook his head and thought it was a pity that all the starfish would die on the beach. Then he saw a boy who was throwing the starfish back into the ocean one by One as fast as he could. Soon he was out of breath. Son , the man said , youd better quit. There are thousands of them and you cant make any difference. The boy didnt even pause in what he was doing and said , I can make a difference to this one , and this one , and this one."
