- 2009年中国人民大学考研英语复试口试题

章节摘录

版权页： 2. What does the father's advice imply? [A] It is wrong to give more pay to the passengers. [B] Don't believe the passengers if they are paying you more. [C] Don't follow others to overcharge the passengers. [D] It is difficult to work hard and live as an honest boy. 3. What can be concluded from this passage about the speaker? [A] His father's advice helped him decide which job to take up. [B] Working in a sports team was his most important experience. [C] He learned much from his shared experience with his team members. [D] His experience as a baggage boy had a great influence on his later life. 4. Why can't the speaker put up with stealing? [A] Because he thinks it is a totally shared experience. [B] Because he thinks it is considered as the most dangerous deed. [C] Because he thinks it does great harm to human relationship. [D] Because he thinks it may lead to the loss of his sports team. Test 2 Questions 1 to 3 are based on a passage discussing changes in our life. You now have 15 seconds to read questions 1 to 3. 1. What can we learn about the time when things were slower? [A] We could see changes happen quickly. [B] We could remember the day or the year when things happened. [C] We could see each new thing come into our life. [D] We could imagine such a time when things were slower. 2. Which of the following illustrates the quick change in people's lives? [A] We could not tell when there was a first generation of things. [B] We could not know any instances of second and third generations of things. [C] We could remember our first train rides clearly. [D] We could know only an instance of the third generation of television. 3. What does the speaker think of his friend? [A] She is a living history book. [B] She has a good sense of history. [C] She is very old. [D] She can easily get excited.
