前言

春秋系列包括春版英语和秋版英语，分别与学期对应，对应的年级是七年级、八年级、高一年级和高二年级；针对每个年级，配有四个专项练习：阅读理解与写作、完形填空与阅读理解、完形填空和听力专练。

春秋系列是为同学们量身定做的，兼顾了同步练习和专项练习的特点，既能帮助同学们提高做题能力和学习成绩，又能帮助同学们复习所学的词汇和语法。

本系列具有如下特点：1 与同学们现有的学力水平同步，让同学们做到学什么就练什么。

春秋系列基于《英语课程标准》中的24个功能话题，以学期为单位，汇总初高中英语教材主流版本，归纳整合出16个话题（基本囊括主流版本教材所有话题），这样同学们每学完一个单元或者模块，都能在本书中找到相应的练习材料，既能及时巩固所学知识，又能按照自己英语的实际情况进行有针对性地专项训练，将专项训练和语言知识学习科学地结合起来，使训练不再盲目。

2 严格参照教学的实际内容，拒绝超纲和脱离教学实际。

编者在编写之前，认真研读《英语课程标准》和各版本教材，充分考虑同学们现有英语水平，尽量做到词汇、语法等与教学同步，不超纲，从而实现了本系列知识内容的同步性，且内容丰富，贴近学生的实际生活，符合学生的认知规律。

章节摘录

Dilma Rousseff is the Latin American country's first female president. Dilma Rousseff made history on Sunday when she was elected the first female President of Brazil, the largest country in Latin America. "I want to thank all Brazilians" Rousseff remarked, "and I am bound to honor the trust they have shown me." Rousseff will replace President Lula. Lula served two four-year terms. Brazil's constitution forbade him from seeking a third consecutive term. Under Lula's leadership, Brazil's economy grew. Lula used his popularity to recommend Rousseff, who served as his chief of staff. Within 20 minutes of the announcement of Rousseff's victory, her supporters began streaming onto a main avenue in Sao Paulo, Brazil's largest city. Eight years ago, a huge gathering celebrated Lula's win there. "Now we are certain that the country will continue in the right direction," said schoolteacher Hobert dos Santos. "Apparently Dilma will be able to keep it up, to continue improving many of the things that Lula started but didn't have time to finish." In her victory speech, Rousseff promised she would keep up ridding the country of poverty, fighting against inequality as well as promoting human rights.

Rousseff has a big job ahead of her. Brazil is expected to be the world's fifth-largest economy by the time it hosts the 2016 Summer Olympics. Rousseff, who will be charged with the tough task of managing the country's growth, says she is ready to lead and hopes that her victory will empower women across the country. "I hope the fathers and mothers of little girls will look at them and say, 'Yes, women can,'" said Rousseff. () 1. Why didn't Lula continue to serve as President? A. Because the public wouldn't support him any more. B. Because the constitution limited him to continue. C. Because Rousseff won more supporters than Lula. D. Because Brazil's economy declined under Lula's leadership. () 2. What's the public's view about Rousseff's taking office? A. They hope Rousseff can change the current situation in Brazil. B. They doubt whether Rousseff can rid the country of poverty. C. They believe Rousseff will continue improving the country. D. They are shocked at Rousseff's taking the place of Lula. () 3. What can be known from the last paragraph? A. The status of women is very high in Brazil. B. Rousseff will empower women across the country. C. The parents in Brazil are all proud of their girls. D. The social position of females is below the males. () 4. What's the closest meaning to the underlined word "consecutive" in the 4th paragraph? A. Continuous. B. Glorious. C. Cooperative. D. Long-range.
