## <<中国的智慧>>

### 内容概要

林语堂的作品如同他的一生，孜孜地向世界解说中国，向祖国表达赤忱。作为用英语创作的一位中国作家，他向西方介绍中国文化的系列作品影响深远，被视作阐述东方思想的重要著述。

此次结集的“林语堂英文作品集”，除保留外研社曾出版的《吾国与吾民》、《生活的艺术》、《浮生六记》和《京华烟云》等代表作品外，还收录了《风声鹤唳》、《老子的智慧》和《武则天传》等十余部颇具影响的原版著作。

如此规模的林语堂英文作品在国内出版尚属首次，包括其中几种是首次以英文原貌在国内面世，极富收藏价值。

此外，为了更好地介绍和呈现林语堂及其作品，还从台北林语堂故居和漳州林语堂纪念馆等地采集珍贵图片，如林语堂生平不同时期的独照、与亲友的合影、部分手稿和初版封面的存照等，以飨读者。

## 章节摘录

The Dictionary, which Father called the crowning achievement of his career, was published in October 1972 with great fanfare. It was the first Chinese-English dictionary ever compiled by a Chinese scholar. The New York Times hailed it as "a milestone in communication between the world's largest linguistic groups." On his 80th birthday, October 10, 1975, friends in Hong Kong organized a big celebration. An even bigger celebration was organized in Taipei. When I met my parents at the Hong Kong airport upon their return, Father's eyes shone with gladness. His cup was full. The only honor that he wanted and had not received was the Nobel Prize. But he was his philosophical self about it. "Let us be reasonable," he once said. "We must have an attitude of expecting neither too much nor too little from life." Father passed away in Hong Kong on March 26 the following year. Among the many tributes he received was one by the Reader's Digest's founder, DeWitt Wallace. Wallace published a memorial booklet of Father's writing that had appeared over the years in the magazine. It was dedicated to the memory of "a evocative spirit of vast range and accomplishment——this man for all cultures who so enriched our lives. He considered his dictionary to be the 'crown' of his career. To anyone who reads his works, it will be apparent that Lin Yutang's crown had many jewels in it." The United Daily News of Taiwan compared Father's achievements in introducing Chinese culture to the West with that of Jesuit missionary Matteo Ricci. In an editorial, the China Times of Taiwan said, "Dr. Lin is the scholar and writer who possibly made the greatest contribution in promoting Chinese culture internationally in the recent 100 years. For some in the West who were not well-informed, they heard about Lin Yutang before they heard about China, and heard about China before they heard about the glory of Chinese civilization."
