内容概要

《高职高专教育英语课程教学指导委员会精品课程：新视角高职高专英语综合教程2》特点：一、基于《新视角高职高专英语课程教学基本要求》提出的要“以培养学生实际运用语言的能力为目标，突出教学内容的实用性和针对性。

”二、基于2006-2007年度河北省省级科研项目《以市场人才需求为导向的高职高专英语教学改革与研究》成果。

该项目研究结果表明社会急需“具有一定英语应用能力的高技能型人才”。

三、基于邢台职业技术学院高职高专英语教材编写组15年来的教学改革与研究。

在这个过程中，从沿用本科教材到启用专门的高职高专英语教材，从侧重知识的传授过渡到培养学生的英语应用能力为主，从简单的英语词汇语法阅读考试到能力本位的过程化考核，这些改革研究结果都充分体现在本套教材之中。

《新视角高职高专英语》系列教材在教学内容编排上以任务引领为原则。

章节摘录

How she has changed !

Thank Heaven , she didn't recognize me. muttered Father. I knew her before I met your mother , he went on. I was a student. She was a lovely young girl. We fell madly in love with each other. Does Mother know about her ?

I blurted out. Of course , Father said gently. Your mother would tell you if she were here. I was a foreigner to her family and dependent on my father. Her father objected to our romance. So did my father. My father cut off my allowance. And I had to go home. But I met the girl once more , telling her I would return to America , borrowing enough money to get married. We knew that her father might intercept a letter , so we agreed that I would simply mail her a paper with a date on it , the time she was to meet me at a certain place; then we'd get married. Well , I got the loan and sent her the date. She received the note , replying I'll be there. But she wasn't. Then I found that she had been married about two weeks before. Then my father said , Thank God she didn't. I went home , met your mother , and we've been completely happy. We drank our beer and left. Outside I said , Father , how did you write that date ?

Like this , he wrote on an envelope and said , 12/11/13 , which was , of course , December 11 , 1913.

No !

I exclaimed. Over here they write the day first , then the month. So that date wouldn't be December 11 , but 12th of November !

So she was there !

And it was because I didn't show up that she got married. He was silent for a while. As we resumed walking I said , It's a lucky thing it happened that way. You wouldn't have met Mother.
