Warm cherry, Silvabella and cream coloured furnishings give the interior spaces an airy ambience that is perfectly in tune with the seaside locale. Meanwhile, classical Italian accents such as Venetian chandeliers and delicate mouldings lend style and grace. The rear of the restaurant is VIP dining room separated by a semi-trans-parent screen. Finished in beige and brown tones and with a hand painted backdrop of the Tuscan countryside, it has the vibe of a country villa. An outdoor terrace adjacent to the entrance lets diners enjoy alfresco dining just like they would under the Tuscan sun.
