内容概要

《生活汉语初步短期课课程》主要内容：This book is written with one purpose in mind to get you communicating in Chinese as quickly as possible !

We ' ve the refo re t ried to present each lesson in a user—friendly fo rmat SO that lea rning Chinese should be fun !

The fi rst 1 0 lessons cove r the p ronunciation of Chinese , as well as sta rting you off on some simple sentence patte rns Then LessonS 11—33 cove r topics which you will meet frequently while living in China .

What makes this book different from many other Chinese text—books published in China ?

The content of each lesson is intensely practical . We have assumed that you a re living in China and want to communicate on eve ryday topics as quickly as possible . So only useful vocabula ry , immediately relevant to you r eve ryday needs , is included .

We have wo rked ha rd at trying to n,,ake the grammar explanations as simple and clear as possible avoiding complicated linguistiC te rminology .

Each lesson contains an activity related to the topic in o rde r to get you using the content as quickly as possible .
