章节摘录

插图: One day Rip Van Winkle didn't want to work. So he went walking in the woods. There he met some funny little men who danced and sang:Come, Van Winkle, dance and sing,You don't have to do a thing. Having fun is what we do, We want you to have fun too.Rip danced all day with the funny little men. At the end of the day, he was very tired. He slept and he slept and he slept. When he got up, all the little men were gone. Rip went back to town. Everything was different! His house wasn't there! His friends weren't there! Rip asked, "Where is everyone I know?" A woman said, "Rip, you went away twenty years ago. Where did you go?" He told the story about the funny little men. He told about sleeping. "Rip," said the woman, "Look at your beard. It's all white. You slept for twenty years!"
