章节摘录

When the phone rang she picked it up and I could tell right away it wasn't good news , I knew Kim had a boyfriend back home and I could tell from her end of the conversation that he was breaking up with her. Though I didn't mean for it to happen , I could feel the warm feelings of empathy rising up in my heart. Losing a boyfriend was something no girl should go through alone. I sat up in my bed. Kim wouldn't look at me and when she hung up the phone she quickly crawled under her covers and I could hear her quiet sobbing. What to do ? I didn't want to just walk over (I was still a little miffed) but I didn't want to leave her either. I smiled as I got the idea. Slowly , I began to clear up my side of the room. I took back the book I had set on her desk and I cleaned up the socks and the shirts. I put some pencils in my pencil holder and made my bed. I straightened the dresser top (but not the drawers--I had my limits !) and swept the floor , even on her side. I got so into my work that I didn't even notice that Kim had come out from under the covers. She was watching my every move , her tears dried and her expression one of disbelief. When I was finally done I went and sat at the end of her bed. Not really saying anything but just sitting. I guess I didn't know what to say.
