<<西游记>>

内容概要

The writings of Chinese early thinkers have influenced all facets of Chinese culture and society , from education to art , from politics and warfare to common etiquette . The popular comic book artist TSAI CHIH CHUNG has faithfully brought the wisdom of these classics to life with his uniquely charming illustrations . This series on Traditional Chinese Thought features the great thinkers of Chinese history , including : Confucius , the sage of harmonious living Laozi , the Daoist sage of natural living Zhuangzi , the Daoist sage of freedom and spontaneity Sunzi , the sage of winning without warring Zen masters , the sages of living in the moment TSAI CHIH CHUNG first came to prominence through his award-winning animated movie . S and his immensely popular daffy comic strips . When he turned his hand to the classics after a prolonged period of self education . they were acclaimed by critics and shot to the top of the bestsellers lists . His books have been published in America by the renowned publishers Princeton University Press and Knopf .
