章节摘录

第一篇 感悟人生的真谛 The Patch of Life Not long ago , my daughter's frosting shoes were scratched by someone's knife . She burst into tears . I took the shoes to the shoemaker to get them repaired . The young apprentice glanced at the opening and said , “ there is nothing I can do but to replace the upper . ” His master looked at them and said to me , “ If you trust me , I will add more scratches on both of the shoes . ” I was confused and asked why . He explained . “ As if the openings were made on purpose for the sake of special style and reuse . ” I didn't fully understand him , but I decided to leave the shoes . Two days later I dropped by from work to fetch the shoes . At the first sight I found they were indeed five or six more scratches on each shoe , but all the openings were patched by soft leather in rust red with edges sewed by thick hemp thread ; the stitches were twisted with the appearance of roughness and plainness which was in accordance with the quality of frosting leather , more unique and interesting than ever . I couldn't help making compliments on the master's craftsmanship . Another time , my wife's sister's white blouse was tom a large opening on the back . My wife took it over and checked carefully . and then said . “ Let me take it home and mend it . ” Three days later , seeing the blouse again , I was shocked : all the cracks and openings were sewed up by thin and white thread and they took on a look of branches , like the ice crystal on winter's branches in the north . In order to intensify the effect , she attached a fatty snowman and a cabin made of flowery cotton rags on the shirt . I sighed with praise , “ It's just as beautiful as a piece of art ! ” “ I was inspired by that craftsman . Patches are supposed to be a regret , but a skillful craftsman can make it take on a kind of perfection , ” replied my wife . Her words inspired me even more : perfection is impossible to achieve in everythin9 ; patches are unavoidable , so is human's life , which will appear in the form of injury , disability or disease . Since you can't change the existence of wound , you should not expect people's sympathy by exposing the wound , which reveals nothing meaningful . All you can do and have to do is to suture the wound by patches and try your best to bloom a most beautiful flower on the wound , and that is the significance of life. 人生的补丁不久前，女儿的磨砂鞋被人用刀子划了几道。她失声痛哭。

我把鞋子拿到补鞋店去修。

年轻的学徒看了一眼上面划的口子，说：“除了换鞋帮，我无能为力。

”他的师傅看了看鞋子，对我说：“你要是相信我，我就在两只鞋上再划几道口子。

”我百思不解，问为什么。

他解释说：“这样看起来那些口子仿佛是刻意而为，会显得别具一格，还能再穿。

”
