内容概要

The Analects are a record of the words and deeds of the renowned Chinese thinker Confucius and his disciples, including their discussions. Written during the Spring and Autumn and Warring States Periods (770-221 BC), the Analects are the representative work of Confucianism, and continue to have a huge influence on the thought and values of China and East Asia as a whole even today. This book explains Confucius' thoughts and philosophy in an easy way with the help of lavish illustrations.

作者简介

周春才，Born in 1957 in Beijing,Zhou Chuncai is a professional painter and writer . He has spent much of his life studying and popularizing Chinese culture . On the subject of comparison between East and West,the author makes a clear distinction and imparts a specific definition to Chinese culture . His works are rich in imagery and detail,and many of them have been translated into other languages . He has won worldwide acclaim from experts and readers in equal measure。
