章节摘录

Long long ago , the water god Gong Gong fought with the fire god ZhuRong , and Gong Gong was beaten in the fierce war.Gong Gong was veryangry , and he knocked his head against Buzhou Mountain.At the foot ofthe mountain one pillar supporting the sky was broken.A great hole ap-peared in the northwest of the sky.Floods poured out of the earth.Dis-astrous fires burned again and again.Wild beasts harmed people.Thepeople were threatened with dying out. Looking at all of this Nii Wa felt bad.She thought she must mend thesky.She carried many rocks of five colors to a volcano .She melted therocks to mend the hole in the sky. Then the earthquakes~ , mountain torrents and fires stopped.Thepeople lived a peaceful and happy life again.Nti Wa became a goddessof kindness.diligence@ , intelligence and bravery in the people ' s hear.In the Spring and Autumn Period , the King of Yue State , Gou Jian , was very interested in knives and swords.Once upon a time , he invitedXue Zhu to appreciate the sword.Xue Zhu was the most famous person atthat time in the field of appreciating swords. Gou Jian ordered his servant to bring two double-edged swords ofHaocao and Juke.However , Xue Zhu saw them with hurried~anee andsaid CasUallv : " The two swords both have short comings SO they can notbe genuine double-edged swords. " Gou Jian was surprised.He orderedhis servant to bring another double-edged sword.Xue Zhu asked : " What is it ? " G0u Jian said : " The sword of Chunjun. " Xue Zhu heard this andfell from his seat.In a short while , he woke up , and he seized the dou-ble-edged sword from the servant ' s hands.He knocked it carefully.Thenhe pulled the sword out from the scabbard slowly.The light of the swordappeared.It was so beautiful , like a lotus~flower above the water.Deco-rationon the sword gave off a brilliant light.Xue Zhu said loudly : " Good sword.It really is a priceless treasure ! "
