章节摘录

Joy is my good friend. We are in the same class. She is fourteen. one year older than me. Her father is a teacher in No.10 Middle School. Her mother is a doctor. Joy is a good student. She studies hard. Her English and science are very good, She often helps other students with their English and science. Our teachers like her very much. We go to school together by bike in the morning. We have lunch at school. After school in the afternoon, we often play sports. We play Soccer and baseball. In the evening, she does her homework at home. Sometimes she watches soccer games on TV. On Sundays, she goes out with her parents in her father's car. They play in the park and do sports there. Sometimes my father takes me there, too. We play sports together. We have a good time. ....
