<<布莱克韦尔金融百科全书>>

内容概要

The Blackwell Encyclopedic Dictionary of Finance provides clear, concise, up-to-the-minute, and highly informative definitions and explanations of the key concepts covering the whole of the fast changing field of contemporary finance. Bringing together specially commissioned and carefully edited entries from an international team of the world's best-known and respected finance scholars and teachers, this will become the standard reference for students, researchers, academics, and practitioners. The Dictionary has been carefully designed to give both the expert and the newcomer overviews and succinct presentations of the most important concepts, terms and techniques in modern finance. 作者简介： Dean Paxson is Professor of Finance at Manchester Business School. He received his doctorate from Harvard Business School. Douglas Wood is National Westminster Professor of Banking and Finance, and Director of the International Centre for Banking and Financial Services at Manchester Business School.
