本丛书以其知识性与可读性并重、实用性与趣味性齐举、题材新颖、体裁丰富等特点深受好评，常销不衰。

此番再版，我们在保持其原有特色的基础上，做了如下修订： 一、书名修订为《英语阅读理解与完形填空100篇》，文章内容选材更新、编排更具科学性。

本丛书以新课标及最新考纲为依据，精心选取加工时效性强、适用性广、趣味性强、题材新颖的文章100篇，其中包括50篇阅读理解与50篇完形填空。

二、本丛书按照话题共分为10个单元，每个单元包含与该单元主题相关的阅读理解与完形填空文章各5篇，两种题型穿插安排，编排方式新颖。

单元主题涉及人物、体育、娱乐、文化习俗、旅游等，话题丰富、涵盖面广，符合学生的兴趣爱好，融知识性与趣味性于一体。

三、试题设计更科学，考查更全面。

主、客观题相结合，涵盖选择题、填空题、判断题、简答题等多种题型，考查形式兼顾词汇考查、细节考查以及主旨大意考查等。

四、每个单元后还增设了“教你阅读”栏目，结合各地最新中、高考试题对阅读理解题与完形填空题的常见设题方式、实用解题技巧与答题策略进行介绍与讲解，举例典型、阐述精练。

帮助学生掌握科学的阅读方法，从而使其提高英语阅读能力，并进一步带动其他基本技能的提高。

五、本丛书的文章在选取编排时科学分级，充分考虑到兼顾现行各版本主流英语教材，使其适用性更加广泛。

本丛书可适用于使用人教版、外研版、北师大版、冀教版、译林版、湘教版及牛津版等多种版本英语教材的初、高中学生学习使用。

六、参考答案部分增加了文章主旨大意介绍以及答案简析，使学生能够更好地理解文章内容、理清解题思路。

章节摘录

Hu Jia is at Shanghai Fu dan Junior Middle School. She had her Chinese class two weeks ago. But she is still excited talking about it. "It's time to talk about poems. But our teacher asked us to go on to the class blog (博客), a website for our class," Hu said. Her teacher, Zhang Dian chun, put some nice poems on the blog. The class talked freely about each poem. Hu is a shy girl, and she doesn't often put her hand up in class. But this time it's different. "I typed in what I thought about the poems. The teacher typed back and said I was doing well." Fu dan Junior started to have blogs for teachers and students early this year. A blog is like a diary on a website. It has messages about lots of different things kept by date. Using a blog at school makes teacher-student talk easily, clearly and fast. "On our school's blog, everyone must use their real name. That's how it is different from other online talks," said Zhang Xuan, a teacher at the school. Each class has its own blog. They have lessons on the blog. After school, students can still talk to each other or to their teachers about problems in study or life. Zhang said every day there are about 200 students talking on their class blog. "It's cool. You can tell your teachers something you might never dare to say face to face," said Hu. Teachers and students are friends on the blog. They talk openly. Once Zhang even told his students about a mistake he had made. "Our class teacher is not mysterious (神秘的) any more. We are close," said Xu Jie, one of Zhang's students. Zhou Peifei said the blog helped her study better. "Once at night I put a question on our class blog, and I quickly got the answer from a classmate."
