内容概要

王迈迈图书品牌，始于上个世纪八十年代。

1987年，英国前军情五处情报处长的一本《抓间谍者》，引起西方社会轰动，我国中央电视台也在新闻联播中作了报道。

于是乎，国内出版界闻风而动，学者、译者们绞尽脑汁，搜索出版信息；相关出版社使尽浑身解数，捕捉出版战机。

然而，却是无名小卒王迈迈，从万马军中杀出，和长江文艺出版社立下军令状，初出茅庐，一战告捷，出版社一版销售王迈迈译著《抓间谍者》近十万册，胜局一开，自然是一发不可收拾，随后几年，王迈迈捷报频传《皇家姐妹》、《夜半情思》、《南希·里根回忆录》、《马克·吐温未发表作品集》等译著相继问世，本本都是畅销书。

1990年以后，因为教学关系，王迈迈开始编著大学英语教材和四六级考试辅导方面的图书。

从那时起，国内众多高校周边的大小书店，不断发现王迈迈英语的畅销图书品种上市。

忽如一夜春风来，千树万树梨花开。

国内大学英语教辅图书市场王迈迈英语几近一枝独秀，简直是独领风骚十余年。

时至今日，王迈迈英语系列丛书已然数百种，涉及中学、大学、考研等各学科品种，其品牌因对教材难点的讲解特别易懂，对考试方向的把握特别准确，越来越受到读者欢迎。

调查显示，全国许多大学生、中学的学生，拥有王迈迈品牌图书，几乎人手一册，其深受欢迎的程度可见一斑。

章节摘录

One of the jobs perks (额外津贴) was the car he was given to drive. It was a two-tone Mark IX, the last of the elegant rounded Jaguars. It looked like it belonged to a movie star. Every morning my father would drop me off at school in his Jaguar before going to work. Being the son of a blacksmith (铁匠), he was proud of the car and thought I should be proud to be driven to school in it. He loved it very much. But the car embarrassed me. After the years of illness and debt, we probably didn't have any more money than the mostly working -class kids at school. But we had a Jaguar, so we might as well have been Rockefellers. The car separated me from others, especially from Danny Kowalski. He was what they called a juvenile delinquent in those days. He was high and had blond hair. It was rumoured he always carried a knife and maybe even a gun. Every morning Danny would stand silently in the same spot by the school fence and watch me climb out of my two-tone Jaguar. I knew he hated the car and that he hated me, and that one day he would beat me up. My father died just months later. We lost the car, of course, and soon I'd have to go live with my grandmother. Before then, Mrs. Ritchfield, an elderly neighbour, offered to walk me to school the day after the funeral.
